Ping An Projects Package

Shanghai

Savills Valuation and Professional Services Limited was privileged to provide the valuation consultancy services for Ping An Life Insurance Company to assess six commercial projects of internal reference.

The six projects are Beijing Ping An building, Beijing Ping An IFC (office portion) and City Mall (retail portion), Dalian Ping An Building, Tianjin Ping An building, Hefei Ping An building and Chongqing Ping An Fortune Centre.

The Properties are office and retail buildings in fully operation. Located in the centre of city, the Properties are easily accessible. Public facilities such as hotel, restaurants, shopping malls and residential developments are surrounded nearby.

As the independent third-party appraisers, we listen carefully to the needs of our clients, explore a comprehensive assessment program and adopt scientific assessment methods, to provide our clients with justified valuation services and market research analysis, and also respond to the questions by clients and auditors on the valuation process.

- Valuation Purpose: internal reference
- Gross GFA: 314,100 sq m
